

# The Impact of Surface Forcing Conditions on Arctic Cloud-Aerosol Interactions

Amy Solomon, Matt Shupe, Ola Persson  
CIRES/University of Colorado and ESRL/NOAA

To what extent do the different properties of Arctic aerosols in April and October produce differences in the microphysical and macrophysical properties of clouds and the surface energy balance?

Sensitivity of downward surface shortwave radiation and precipitation to small mode aerosol concentration at 21Z April 8 2008

PDFs of LWP, TKE in cloud and Precipitation per time step at 21Z April 8 2008
